Celebrating NewBeauty's Top Female Doctors

Best in Class.

By Danielle Fontana Dooley, Senior Digital Editor · Mar 11, 2021

The most powerful women in the aesthetics field don't need a reason to be celebrated—their endless lists of accolades and admiring patients do that daily—but what better time to spotlight these female powerhouses than on the heels of International Women's Day? Ahead, the inspiring females we are privileged to call NewBeauty Top Doctors.

29/49

New York dermatologist
Jody A. Levine, MD

Offering her patients a top-notch level of care is paramount for double board-certified, Yale-trained Dr. Levine. She is able to care for her patients of all ages, both pediatric and adult, with a full range of cosmetic and medical treatments. Injectables and laser surgery are her specialties, and she is proud to offer the latest and most effective devices for every cosmetic and dermatologic need.
